Thank you for supporting us at The Elephant & Castle.

These are very testing and stressful times for everyone and we have truly valued your support throughout this COVID 19 pandemic and thank you, in anticipation, for your support during this current enforced lockdown period. No one knows when this situation will end, despite the UK governments proposed deadline, but we hope to continue to

As well as providing our food delivery and collection service for as long as we can, we also hope to help keep peoples in good sprits by reinstating our online "entertainment" events (such as quizzes and other random things) and, once guidelines are clearer, also look at how we can keep you supplied with your favourite Everards tipples.

Keep informed and follow us on Facebook please visit our page

Clearly, our reopening will be determined by many factors and we will communicate how, when and what this looks like when we can. Given the proposed "release date, we anticipate that normal our Christmas program of events will be impacted due to government guidelines but will attempt to provide some festive cheer when are able to open again.

We have been overwhelmed by the support of our community, not just in recent times, but since we took over here at the Elephant & Castle back on the 3rd January 2017. The kind words and quiet deeds of many of our customers has been a source of strength throughout our time here but none more so than in what has been a very testing 2020.

Thanks to you all and we look forward to welcoming you back as soon as we can.
